

The Bible Makes A Huge Impact In Peoples Lives

As I wrote in our previous newsletter, only 5% of Christian believers have their own Bible in their language. Today still more than 90% of the Christian believers in Asia do not own a copy of the Bible. At the same time Asia is more unreached by the Gospel than any other region of the world. Nearly half of the world's population lives in Asia. Why has it not yet been reached with the Gospel? I personally believe that it is so because most Christian believers do not have the Word of God, and they do not have knowledge or boldness to share their faith in Jesus with others. If a Christian believer does not have the Word of God in their heart and in their hands, they can become ineffective in the Kingdom of God and live a defeated life. Jesus said, "Man shall not live by bread alone, but by every Word that proceeds from the mouth of God." The only way man can live as God designed, is by His Word. The Bible, the Word of God, is alive and powerful to change and transform lives, situations, conditions and circumstances if applied. We have taken on the mission to give a Bible to every believer and nonbeliever in India and Nepal. Our vision is to give Bibles to all of Asia. With your help we can place the Bible in the hands of ever believer.

"I am very thankful to own a copy of the Holy Bible and I feel very special. I am reading the Bible every day and I never want to put it down. I am learning so much from just reading it, and I understand more of God. He is my Father, and if I obey and do what He says I will have a good life. Deuteronomy 28, If I listen, obey and do all that He says, I am continually blessed. I know God loves me, and His love is very real, it makes me love Him. When I am reading the Bible, I read it loud so my family also can hear God's Word. Now they are asking me questions about the Bible and they are very interested in it. I am very, very happy for this Bible. Thank you so much." Sangeetha 19 years.

We have given out thousands of free Bibles in Nepal and in India. The Word of God is making a tremendous impact in the lives of everyone who has received a copy of the Bible in their own language. I can simply say, The Bible we are giving is empowering believers to live a victorious life. You can become a partner with us to distribute Bibles in Nepal, India and ultimately throughout Asia with your prayer and financial support of only \$3 per Bible.

Christmas Children Outreach Was Awesome

We greatly appreciate you for your love, prayer and financial support to help reach the children with the message of Christmas during the month of December. The children from our children home played the Nativity story in schools, streets and in the slums of India and Nepal. Every child that came to this event to hear and see the story of Jesus' birth received a gift box filled with things that children like, and together they had a nice meal. This goes along with the theme of the story, Jesus is God's gift to man. Many children that come to our outreach are poor and underprivileged and to most of them this is the first time they have ever received a gift. It was so awesome to see their reaction with a very big smile and full of joy. Receiving a nice free gift lets them understand God's free gift of salvation through Jesus, that we don't deserve it.

We reached several thousand children during this Christmas season. Your gift of love helped the children experience the true joy of Christmas. That is what Christmas is all about.

In The Midst Of Persecution Many coming to Christ

Last year we reached over half a million people with the gospel through different outreaches. Every year thousands upon thousands of people come to know Christ for the very first time. Christianity is rising in India; people are coming to Christ more than ever before. India is rising up with a new vibrant generation who are not only looking for success, but also seeking for a meaningful spiritual life that will give them hope and a better life. Today many young adults are very open to hear the Gospel, sincere about wanting to know more about Christianity and willing to receive a free copy of the Bible to read. With our Outreach Team presenting the Gospel effectively and with the anointing of the Holy Spirit, there is power that is undeniable. God confirms His Word with signs and wonders. The Gospel itself has the power to change and transform lives.

Agaber is 17 years old. He said, “My family is very strong Muslim, and my parents forced me to learn the Quran by heart. I went several times to hajj. I was very devoted to my religion, but my religious beliefs did not give me peace, joy and a purpose in life. I could not find anything worthwhile in what I was doing. I became very unhappy and empty in my life. I began to question my parents about the Quran we believe in, and they could not answer me so I began to seek for the answer. I was standing in a bus

stop waiting for the bus to come when I saw the truck across the street. Children were singing and dancing happily inside the truck, and a lot of people were surrounding the truck. I said to myself, these people are happy and they are different. They have something that I don't have. I went closer to the truck, listened to songs and I enjoyed the songs. I did not understand what was going on, but I felt good just listening. A man spoke wonderful things about Jesus and His love for me. “Jesus came to give me life in more abundance. He has a plan to bless, prosper and he will give me a future and hope. I don't have to fear the future”. When I heard that, peace came over me. When he called people to come forward for prayer, I went forward for prayer and asked Jesus to come into my life. Jesus came into my life and I have never been the same. Now I am a new person. My family threw me out and threatened to kill me because of my faith in Jesus. Now I am living with a Pastor in another town. I pray one day my family will get saved.”

People are added to the church daily. Christianity is growing fast in India even in the midst of strong opposition and persecution. Please pray for the Christians in India, that they will continue to grow strong in faith and be very courageous. India for Jesus!

Life And Hope For The People Of Haiti

The Lord has placed in my heart to help the poor and the downtrodden. That is my calling and the Lord has given me the grace to do what he has called me to do. This calling has become my passion. I love to help the helpless and bring hope to the hopeless. Everywhere I go my goal is to bring life and hope through the preaching of the Gospel of Jesus Christ. The Lord laid on my heart Haiti in 2010 after the earthquake, I was praying and supporting ministries who work in that Nation. I was invited to come to Haiti to minister. As you may know, Haiti is one of the poorest countries and it is continually moving towards being a 4th world country. People are living in destitute conditions without resources or the means to help themselves. Many Haitians still have never heard the Gospel of Jesus Christ, and they do not know how to be saved. Unfortunately, many Haitians are still practicing voodoo. I feel the whole nation is under the demonic strongholds. Only Jesus can set Haitians and the entire country free. We had very powerful Gospel meetings and many got saved, healed and set free from demonic grasp. Praise God!

With your partnership we want to help the people of Haiti. You all know Haiti was terribly devastated by earthquakes and last year powerful hurricane made things bad to worse. Some Churches lost their entire meeting place and now they don't have place to worship. Believers have open-air church services in an horrible hot and dusty ground. We need \$58000 to build a metal building seat 2000 church auditorium in Haiti that will withstand earthquake & hurricane. I was in Haiti and I saw the very poor condition of people, help the church in Haiti with your best gift today. Together we can bring hope and life to the Haitian people.

Dear Partners,

Elgin and I love you dearly, you are an inspiration to us each and every day. We pray God will bless you and use you continually to touch even more people this year. Your partnership helps us every day to bring life and hope to many. You are a blessing! I am believing for the financial resources to win ten million souls, plant churches, help and support indigenous missionaries to reach the unreached people, train leaders, drill water wells, and help the orphans and the widows. I need your continued prayers and financial support now more than ever. Thank you for being a part of this great work that is making a difference so others can simply live. God bless you abundantly.
